Findlay of Wilsonville is Caring for Community with Bob's Auto Cafe'

April 2017 Recipient - Bob's Auto Cafe'

Wilsonville, OR- Bob's Auto Cafe' is very pleased to be the April 2017 Findlay Chrysler Jeep Dodge Ram of Wilsonville's Charity of the Month.

"We are excited to be selected as Findlay of Wilsonville's April Charity of the month. Bob's is very new to the community and we want others to know about our purpose," said Daniel Lacy, Executive Director of Bob's Auto Cafe'. "When people donate a car to us it becomes monumental. We know that the costs of technical automotive schools can be expensive for some. That is why our mission is to provide free automotive training to our interns many of whom come from low-income households. Our goal through all of this is to give people from the community an opportunity to enhance their careers and be able to provide prosperous lives for their families."

Charity of the Month is a fundraising program where each month Findlay of Wilsonville selects and features one local charitable organization making a difference in our community. This monthly program provides exposure to local Oregon non-profit organizations as well as a monetary donation during the selected charity's dedicated month.

Bob's Auto Cafe' believes that living wage employment and safe and reliable cars should not be out of reach for anyone in our community. We are dedicated to train people providing our interns with the education and mentorship to develop the life skills necessary for a successful career. We work on cars, training our interns as they repair customer vehicles and on donated vehicles that are re-purposed for sale.

Daniel stated, "Caring for our community is a huge responsibility. Receiving donated cars helps us fulfill that need."
